### ***HRMS Recipient of Blue Cross Blue Leader Award***

Naperville, Il.-- Human Resource Management Systems, LLC has been awarded the 2008 Blue Leader Premium Producer Award by Blue Cross Blue Shield of Illinois.

In presenting the award, Carol J. Metzger, Major Accounts Sales Executive at BCBS, called HRMS an “outstanding broker with excellent retention” and “one of the most knowledgeable and service-oriented brokers we work with.”

The award was presented during an April 7 HRMS seminar designed to answer employer questions about the latest COBRA changes. That session was part of HRMS’ ongoing Smart Start Seminar series.

### **About HRMS**

HRMS is a Naperville-based benefits and human resources firm that provides its clients with innovative and customized solutions to benefits and human resource challenges. Services include benefit plan design and implementation, HR outsourcing, employment outsourcing and benefits administration. The company serves primarily small to mid-size companies, organizations and educational institutions (25 to 1,500 employees) throughout the Chicago area and across the country.
